VICTORIA AINODION

EXECUTIVE ASSISTANT

Senior Leadership Support | Meetings & Follow-Up | Operations Coordination

Abuja, FCT, Nigeria | +234 913 502 0887 | victoriaainodion@gmail.com

PROFESSIONAL PROFILE

Executive and administrative support professional with over four years of experience across senior leadership support, virtual assistance and office administration. Supported a Chairman and an association President with schedules, meetings, correspondence, confidential records and departmental follow-up. Experienced in preparing reports and presentations, coordinating stakeholders and keeping executives informed of outstanding actions and decisions. Additional experience supporting a U.S.-based client remotely across time zones.

CORE COMPETENCIES

Executive calendar management | Meeting agendas and minutes | Executive correspondence | Reports and presentations | Stakeholder liaison | Action and deadline tracking | Confidential records | Research and briefing support | Vendor coordination | Project support

PROFESSIONAL EXPERIENCE

Amaecom Global Limited Sep 2025 - Jul 2026

Personal Assistant to the Chairman / Administrative & Operations Support

Abuja, Nigeria

- Coordinated the Chairman's calendar, appointments, meetings and daily priorities, keeping commitments and outstanding follow-ups visible.
- Prepared meeting materials, agendas, minutes, reports, presentations and management updates; recorded agreed actions for departmental follow-up.
- Drafted and organised executive correspondence and maintained confidential business records and digital files for reliable retrieval.
- Followed up with Heads of Department on management decisions, deliverables and deadlines; clarified outstanding issues before seeking executive input.
- Liaised with internal teams, suppliers, banks and external partners, coordinating documents, responses and information needed by management.
- Maintained supplier invoice and payment documentation and spreadsheet-based status records, following pending transactions with relevant parties.
- Organised background information and supporting documents for management review, resolving routine coordination issues and escalating decisions outside my responsibility.

SELECTED INITIATIVE: MANAGEMENT TRAINING

Identified a need for additional training for existing managers and raised a practical recommendation with the Chairman. Following approval, coordinated the managers involved, schedules and arrangements, and followed through until the training took place. This initiative combined independent problem identification with clear approval boundaries and cross-department coordination.

PROFESSIONAL EXPERIENCE, CONTINUED

NARPPMAN

May 2024 - Aug 2025

Administrative Secretary / Personal Assistant to the President

Abuja, Nigeria

- Supported the President with scheduling, correspondence, document preparation, records and follow-up on organisational priorities.
- Coordinated information and communication with agricultural producer groups, associations and stakeholders across cocoa, ginger, palm oil and rubber-related networks.
- Maintained member and business records in Excel and Google Sheets; reviewed missing, inaccurate and duplicate information and made necessary updates.
- Prepared reports, meeting materials and status updates, keeping pending requests and stakeholder actions organised for management review.

New York-based Private Client

Mar 2023 - Apr 2024

Virtual Assistant

Remote | New York-based client

- Supported a U.S.-based client with scheduling, reminders, task coordination and routine follow-up across the Nigeria-U.S. time difference.
- Organised digital files and business documents and maintained communication through email, WhatsApp and other online channels.
- Prepared clear status updates covering completed tasks, pending items and next steps, supporting independent remote coordination.

KK Enterprise

Jan 2022 - Feb 2023

Administrative Accountant / Cashier

Kaduna, Nigeria

- Maintained financial and administrative records, including invoices, receipts, cash transactions and supporting documents.
- Tracked expenses and payments in spreadsheets and checked entries against supporting documents for accuracy.
- Handled customer enquiries and supported filing, record updates and routine communication with internal teams.
